**“finding peace while putting
the puzzle together...”**

Often times a parent, a caregiver, or a family member dealing with autism can feel very isolated and alone. Puzzle Peace Moms wants you to know that you don't have to feel that way anymore.

Some of the benefits you will encounter through this informative support group are: up-to-date information, firsthand experiences and the exchange of ideas from someone else who understands-
Something you simply can't get anywhere else.

Our autism support group meets right here in Cumberland County on the 1st Friday of every month from 6:00pm – 8:00pm.

We look forward to meeting you!
